Marian,

you are one sweet girl, even though we had a few problems we always manage to share them know- know- especially with that girl in town. I know we can get to- stuck up. May sometime in the summer we can get together. I hope you didn't get mad at me for telling you the way feel. I was just too busy about for you. I had seen, that you are back to school, but I am so tired and sweet. Sorry this is so sloppy, but I am so tired of writing. Maybe over the summer we can get together and see how km is doing. Probably me sign of a change from her home. I hope she reads this, then she will know how I feel. You better be good over the summer and don't get into trouble. I love you always.
